# Things We Do For Love

by Murder_Cupcake

Summary

Will and Hannibal go out to buy Halloween costumes... to their dogs.

Notes

Day 27 of Hannictober - Costume Shopping. Extremely short and extremely random but here you go XD

"Will", Hannibal touched his husband's shoulder while they walked, "this is the fourth store we're going, do you really think it was a good idea?"

"Of course it was", Will was focused on a piece of paper in his hands, a list. "It's our first Halloween together, and I want it to be perfect."

"I know, dear", Hannibal smiled, "and I'm as excited as you but", he pointed to the list, "don't you think it'll be quite difficult to find costumes for all of our six dogs in a regular store?"

"We'll find", Will simply said, and Hannibal decided that he couldn't go against his husband's words. He didn't dare to say to Will that it was better to go to a pet shop.

Therefore, they proceeded to walk through the store.

"Look", Will said. They stopped in front of a section of Halloween costumes for small children and babies. Will had a thoughtful expression. "Maybe we can buy these and customize in order to fit the dogs. I'm sure the smallest ones can fit into the baby costumes", Will turned his attention to Hannibal, "What do you think about it?"

Hannibal saw how the other man's blue eyes were shining with excitement, he was clearly happy. So, he just nodded with a sweet smile on his lips. Will returned the smile and leaned on to kiss Hannibal's cheek.

"You're the best", he said.

And then, Will began to choose the costumes. There were six in total, of different characters and Halloween monsters.

"I'm more concerned if they'll accept to wear them, instead of turning the costumes into their new chewing toys", Hannibal said when they were returning to the car, hands holding bags.

"Don't worry", Will laughed as they entered the car, "It's going to be fun, they'll like it."

"I'm sure", Hannibal replied, kind.

"Thank you", Will said, touching Hannibal's hand. "I'm happy you agreed on this."

"I can't say no to you, my love."
